Serve-A-Thon Fundraiser

Player Name & Team:_____

As a fundraiser for my Volleyball Team I am conducting a serve-a-thon, where I will have 3 minutes to make as many serves as I can, and every sponsorship will help me pay for my volleyball expenses for our trip to Nationals in Orlando, FL.

For example, if I make 50 serves and you sponsor me at 50 cents a serve, your donation would equal $25. My goal is to raise, $_____ dollars and successfully complete _____ serves.

After the serve-a-thon I will let you know how many serves I completed and collect your donation
